KADUR DISTRICT.

Notification dated 18th February 1910.

The following draft bye-laws framed by the Chikmagalur Town Municipal Boardfor the purpose of enforcing vaccination tentatively for a period of two years in the Municipal area in accordance with Government Order No. 9916—Med. 163-08-8, dated 10th April 1909, are published for the information of the public.

2. Any resident within the Municipal area who has any objection or suggestion with respect to the draft bye-laws should communicate the same in writing to the President, Municipal Boards, Chikmagalur, within one month from the date of this notification.

BYE-LAWS *RE* VACCINATION UNDER RULE 24 OF THE VACCINATION REGULATION OF 1906.

Local area and appointment of vaccinators.

The Municipal area of Chikmagalur will, for purposes of vaccination, be a single circle and there shall be two vaccinators for the circle, one male and one female. The male vaccinator will be employed by the Municipality while the Lady Apothecary in charge of the Female Hospital shall, for the present and until a female vaccinator is employed by the Municipality, be deemed to be the female vaccinator of the circle.

Vaccination depots.

2. There shall be two public vaccination depots for the circle, one at the Civil Hospital for the vaccination of all people and one at the Female Dispensary for the vaccination of females and children under 12 years of age.

Hours of business.

3. The hours of vaccination at the depots will be from 8 to 11 A.M. daily except on Sundays and authorized holidays. A notice board will be put up at each depot notifying the above hours of business for the information of the public.

Duties of the male vaccinator.

4. The male vaccinator for the town shall, whenever required by the head of a family, vaccinate the members thereof at their residences in other than his working hours at the depots. It will also be his duty to move about the town in accordance with a programme prepared by him and approved of by the District Sanitary Officer and to encourage and persuade people as much as possible to get themselves and their children vaccinated.

Duties of the female vaccinator.

5. The Lady Apothecary, as the female vaccinator, shall have the vaccination depot at the Female Hospital where she will vaccinate children and females between 8 and 11 in the morning every day except on Sundays and authorized holidays. Those observing gosha will be vaccinated by the Lady Apothecary at their residence on a requisition made to her in writing by the parties.

6. Both the vaccinators shall be furnished by the Vice-President through the District Medical Officer with monthly statements showing the particulars of all births in the town.

Additional functions of the vaccinator.

7. Each vaccinator shall be charged with the duty of—

(*a*) Maintaining a vaccination register in the form prescribed by the Department.

(*b*) Submitting weekly and monthly reports to the Deputy Inspector of Vaccination, who shall submit a monthly statement to the Vice-President.

(*c*) Preparing and submitting the programme for the month to the District Medical Officer who will send it to the Vice-President to be notified in the localities.

(*d*) Granting certificates under Rules 6 and 9 of the Vaccination Rules.

K. R. SRINIVASA IYENGAR,
President, Municipal Board.
